Rich Pictures and UCD

- Go through slides
- Watch Videos at the end:
    - Rich Picture first, relate it back to the slides
    - Bad designs - specify how it is important to get multiple users perspective on designs so nothing is missed.

Release Assessment 1

- Walk through assessment 1
- Scenario is up on moodle and material is up on moodle

Give the students time to work on assessment

- Do a walk around and answer any questions etc.
